FAGD/MAGD Credit | Approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement | 10/01/2017 to 09/30/2021 | Provider ID #320242

# 2021 ADVANCED IMPLANT SYMPOSIUM SPEAKERS

## ALDO LEOPARDI, BDS, DDS, MS

Dr. Aldo Leopardi received his dental training from the University of Adelaide, South Australia and University of Detroit Mercy (UDM), Michigan. In 1993, he received his specialist training and master's degree in combined fixed, removable and implant Prosthodontics, at the University of North Carolina, at Chapel Hill (UCH-CH). He was faculty at UNC-CH, UDM, and Colorado Health Sciences School of Dentistry. Since 1999, he has been in full-time private practice limited to Prosthodontics in Denver, Colorado. Today he lectures nationally on subjects involving fixed, removable and implant dentistry. He is involved in clinical research and has contributed articles and textbook chapters. He is also the founder of the Denver Implant Study Club and co-founder of Dentutopia, an online dental educational resource.

## DAN CULLUM, DDS

Dr. Dan Cullum completed his DDS with distinction at the University of Alberta, Canada and residency at Westchester Medical Center, NY. He is a Diplomate of the ABOMS and Visiting Lecturer at Loma Linda and UCLA, Depts of OMS. He speaks internationally, has published articles and textbook chapters and was principal contributor and lead editor of the innovative textbook "Minimally Invasive Dental Implant Surgery." Dr. Cullum has served in leadership roles at national, state and local societies. At Implants Northwest (Coeur d'Alene, ID), he practices Oral and Maxillofacial Surgery focusing on immediate and minimally invasive implant reconstruction. Dr. Cullum is President of Implants Northwest LIVE Learning Center, emphasizing advanced techniques for surgeon/ restorative teams using LIVE surgery and "hands-on" application in a small group environment.

## MATTHEW J. FIEN, DDS

Dr. Matthew J. Fien graduated Columbia University College of Dental Medicine, Periodontics at Nova Southeastern University and is a diplomate of the American Board of Periodontology and Implant Dentistry. Dr. Fien has completed a number of research projects and has numerous publications. He lectures at Nova Southeastern University nationally on bone grafting techniques and implant dentistry including "hands-on" guided bone regeneration course. He is an active member of the AAP, AO, and the Southern Academy of Periodontology and maintains a private practice in Fort Lauderdale, Florida, limited to periodontics and Implant Dentistry.

## EMILIO ARGÜELLO, DDS, MS

Dr. Emilio Argüello obtained his dental degree, periodontology, and MS in Oral Medicine from Tufts University, Boston and is a Diplomate of the American Board of Periodontology and Implant Dentistry. He clinical and basic science research in periodontology at The Forsyth Institute and Harvard. He received the NIH-National Research Service Award for studies in biofilm formation, microbiology and treatment of periodontal diseases. He has been a core faculty in the graduate periodontology at Harvard for over 15 years. Dr Argüello has other international faculty appointments. He has co-authored textbooks, scientific publications and lectures extensively internationally. In addition he serves as a reviewer of the JPerio, IJPRD; is chair of the Scientific Committee for AO and maintains a private practice limited to periodontics and implant dentistry.

## BACH LE, DDS, MD

Dr. Bach Le completed his specialty training in Oral & Maxillofacial Surgery at Oregon Health Sciences University and is currently Clinical Associate Professor at the Herman Ostrow School of Dentistry at USC. Dr. Le has authored over 14 chapters in textbooks on bone regeneration and dental implants and has published extensively in peer-review journals. He has been an invited speaker at numerous organizations including the AAOMS, Academy of Osseointegration, Academy of Prosthodontics, American Academy of Esthetic Dentistry, American Academy of Implant Dentistry, American College of Prosthodontists, Greater New York Academy of Prosthodontists, and the International Congress of Oral Implantologists. Dr. Le was inducted as an Honorary Member of the American College of Prosthodontists and is a recipient of the Charles E. English Award in Clinical Science. He is a Diplomate of the American Association of Oral & Maxillofacial Surgeons and holds Fellowship in the American College of Dentists, the International College of Dentists and the International Association of Oral & Maxillofacial Surgeons.

## MARC FERGUSON, CDT

Marc Ferguson CDT is from a dental family. His grandfather, father, and brother are all dentists. He has worked as a technician at the highest level, and has turned his attention to digital technology in the dental field. Mark started as General Manager of Vulcan Custom Dental in Birmingham, AL in February of 2016. Prior to that he was on Core3D's International Technical committee doing beta testing and material library development for 3Shape and exocad. After graduating from dental technician school in 2001, he worked for Matt Roberts, CDT, and was trained by Lee Culp, CDT. Ferguson spent eight and half years at Aurum LVI where he worked as a full mouth technician and the CAD/CAM Crown and Bridge Manager; he has 16 years' experience in various dental CAD/CAM packages.

## THURSDAY, MARCH 18

7:40-8:00 AM

**Breakfast with Exhibitors**

8:00-10:30 AM

**MATTHEW J. FIEN, DDS**

*Break 9:00-9:15*

Hard and Soft Tissue Augmentation Techniques to Minimize Complications and Maximize Regenerative Outcomes

10:40 AM-12:40 PM

**OPTIONAL BREAKOUT SESSION: MATTHEW J. FIEN, DDS**

"Hands on" Grafting

4:15-4:30 PM

**Après ski with Exhibitors**

4:30-6:30 PM

**DAN CULLUM, DDS**

*Break 5:30-5:45*

Implant Positioning: Preventing & Managing Complications. Tunnel grafting "Pearls" for Bone Augmentation

6:30 -7:30 PM

**Heavy hors d'oeuvres with Exhibitors**

## FRIDAY, MARCH 19

7:40-8:00 AM

**Breakfast with Exhibitors**

8:00-10:30 AM

**DAN CULLUM, DDS**

*Break 9:00-9:15*

Implant positioning: Preventing & Managing Complications. Tunnel grafting "Pearls" for Bone Augmentation

**MARC FERGUSON, CDT**

Optimizing Digital Workflow - Scanning, Guides & Abutment design

10:40 AM-12:40 PM

**OPTIONAL BREAKOUT SESSION: MARC FERGUSON, CDT**

Optimizing Digital workflow in Your Practice

4:15-4:30 PM

**Après ski with Exhibitors**

4:30-6:30 PM

**ALDO LEOPARDI, BDS, DDS, MS**

*Break 5:30-5:45*

Esthetic Diagnosis, Treatment planning & Provisional Restoration  
Immediate Implant Placement and Provisionalization

## SATURDAY, MARCH 20

7:40-8:00 AM

**Breakfast with Exhibitors**

8:00-10:30 AM

**ALDO LEOPARDI, BDS, DDS, MS**

*Break 9:00-9:15*

Esthetic Diagnosis, Treatment planning & Provisional Restoration  
Immediate Implant Placement and Provisionalization

**EMILIO ARGÜELLO, DDS, MS**

Innovative Techniques in Bone Augmentation, Immediate Implants and Pre-prosthetic Tissue Management

10:40 AM-12:40 PM

**OPTIONAL BREAKOUT SESSION: DAN CULLUM, DDS**

Advanced Full Arch Implant Concepts for Long-term Success

4:15-4:30 PM

**Après ski with Exhibitors**

4:30-6:30 PM

**BACH LE, DDS, MD**

*Break 5:30-5:45*

Managing Complications in the Esthetic Zone
